

Better communication through games.

GOTTA2

**GOTTANI Co., Ltd.**

## About Us

Our motto is, "Better communication through games." We design and create new and original board games, produce videos about games, and manage licensing of our original games. We also run our own boardgame café! We have an extensive understanding of all things board game from manufacture to sales, regardless of the destination and the industry. You can count on our one-stop shop services for board games—please feel free to contact us.

## Business Details

### Create and manufacture, sales of board games

We create original board games and manufacture them at partner factories, distributing them domestically and internationally as well as selling them directly through e-commerce and in stores. We also offer made-to-order manufacturing services.

#### Our Works

- Where am i ? ~ Alice in a mad tea party ~
  - Snow White's Appleroulette

  - Shisock for Gakken
- And many more

Where am i ?

~ Alice in a mad tea party ~

Patapata Kuririn

Shisock

Snow White's Appleroulette

## Board Game Cafe Management

Anyone can play at ease in this Café, even if they're new to board games! Our profit goal isn't monetary, it's to increase the population of board gamers in Japan.

## Licensing of Our In-House Games

We manage licensing of our original board games, including the Nintendo Switch version of Flip Over Frog, as well as the HUB GAMES version of Flip Over Frog.
